

# ST·FRANCIS

WINERY & VINEYARDS

## HARVEST WORKERS

*Experience the excitement of the wine industry this harvest.*

St. Francis Winery & Vineyards is currently recruiting for hard-working, energetic and enthusiastic **Cellar and Lab workers** to join our team for the 2010 Harvest.

Cellar workers will be involved in all standard crush activities, including:

- ◆ Receiving & crushing grapes
- ◆ Sorting fruit
- ◆ Press operations
- ◆ Pump overs
- ◆ Punch downs
- ◆ Racking
- ◆ Blending
- ◆ Filtering
- ◆ Cleaning & sanitizing
- ◆ Additional tasks as required

Lab workers will be involved in all standard crush and lab activities, including:

- ◆ Berry collecting/sampling/analysis
- ◆ ph & TA of grapes
- ◆ Inoculations
- ◆ Fermentation checks
- ◆ ml Bacteria additions-press/tanks
- ◆ Enzymatic ml checks
- ◆ Cellar/barrel activities as needed
- ◆ Determination of brix
- ◆ Enzyme additions at hopper
- ◆ Enzyme/nutrient tank additions
- ◆ Yeast additions
- ◆ Chemical analysis of finished wines
- ◆ Enzymatic residual sugar tests
- ◆ Additional tasks as required

Previous industry education and experience preferred. Physical Science degree and proficiency in MS Office preferred for Lab workers. Successful candidates must be available to work from approximately early August until mid to late November. Must also be dependable and flexible to work varying shifts, overtime, weekends and holidays. Must be able to lift and carry up to 50 lbs. This is a great learning opportunity for individuals interested in the wine industry.

Resumes may be submitted via email to [hr@stfranciswinery.com](mailto:hr@stfranciswinery.com) or faxed to 707/833-1813. Applications may be obtained at our administrative offices at 500 Pythian Road, Santa Rosa.

◆ Equal Opportunity Employer ◆
