**S**t. Francis Sonoma County Claret is a blend of four red varieties: Merlot, Cabernet Sauvignon, Zinfandel and Alicante Bouschet produced from superior sources of grapes hand-picked from vineyards throughout Sonoma County. Individual varietal wines are skillfully blended together to create a complex, well-balanced and full-flavored wine reminiscent of the fine wines of Bordeaux for which our Claret is named. This beautifully crafted wine of medium-body and rich tannins displays aromas of cedar, vanilla, and toffee with flavors of rich ripe plum and strawberries. Ready to drink upon release.
