BEST of THE BEST **CALIFORNIA CABERNET SAUVIGNONS**

Cabernet Sauvignon is the king among California varietal wines. And the two most recently released vintages, 2005 and 2006, do nothing to dispel that notion. Both were cool, late-developing years, and the wines, as a result, are balanced and well-structured, with the 2005 Cabs displaying more heft and the 2006s exhibiting a bit more elegance.
