The Wine Magazine

BEST of THE BEST CALIFORNIA CHARDONNAYS

Chardonnay is California's dominant fine wine grape, accounting for almost 95,000 acres of vines. We persevere, as we did recently, bulling our way through eight dozen 2006 and 207 California Chardonnays to uncover the following 11 winners. They represent California Chardonnay at its very best. We only wish there were more like them.

5 Star Chardonnays

Wines of extraordinary character and quality – in a class by themselves

WILD OAK CHARDONNAY 2007

Rich, buttery, concentrated, nutty and elegant.
