Our 2003 Sonoma County Claret is a blend of three varietals: 72% Cabernet Sauvignon, 26% Merlot and 2% Cabernet Franc, all sourced from superior vineyards throughout Sonoma County. Hand-picked at full ripeness, then vinified as individual varietal wines, then skillfully blended to create a complex, well-balanced and full-flavored wine reminiscent of the fine wines of Bordeaux for which our Claret is named. This beautifully crafted wine of medium-body and rich tannins displays aromas of cedar, vanilla, and chocolate with flavors of black currant and rich ripe plum. Our 2003 Sonoma County Claret is ready to drink upon release with an aging potential of 5-6 years.
